Thanks Jack!

This search got the homeowners. I'd also like to get the strip lots owners:
4107-034-014 (84th to 83rd)

-015
-016
-019
-020
-022

4107-035-009 (Manchester to 84th)

-011
-012
-013
-015
-016

Can you run a Profile page on each strip lot so we can see if there's loans against them?

Last, do you think these strip lots are outside of the existing fence? That is, separate from the R-1 lot?

As soon as I can get a spare moment (maybe next week) I will go pull a sidewalk construction permit from the City. That let's us apply for a tree removal permit, which could take 90+ days. Then we could start tree removal. Hopefully before the coming Holiday Season.

The early bids I have are good. We save so much over City costs! Tree removal comes in at \$12,500 with a "Duckworth 25% contingency." Concrete comes in at \$55,912 with the same "Duckworth 25% contingency." I don't have any idea what Gilbert's landscape & irrigation cost will be yet. Maybe we can anticipate getting this 83rd to 84th phase done for \$200,000 or less.

Let me know your thoughts. Thank you.
